

Preferred Solution Providers

Preferred Solution Providers (PSPs) are third-party companies that offer sellers a scalable technology solution, allowing you to focus on what you do best. These businesses help sellers become more effective on eBay. They offer a wide variety of services from providing software that facilitates listing to completely outsourcing listing execution, customer service, and fulfillment. ID Verify

Establish your proof of identity with ID Verify - an easy way to help others trust you as their trading partner. The process takes about 10 minutes to complete and involves updating your information over a secure connection and answering a few questions. When you're successfully verified, you will receive an ID Verify icon in your feedback profile. Currently, the service is only available to residents of the United States and U.S. Territories (Puerto Rico, US Virgin Islands and Guam). [Learn more about ID Verify.](#)

Fee:
Verification costs \$5 and is valid until your name, home address or phone number change. You'll be charged only when you complete the process.

Note: After successful verification, you will not be able to modify your contact information for 30 days. Also, the ID Verify icon is used for 3 different verification processes: eBay Secure provides individual verification on eBay.com, GoTrust, Inc. is used for the verification of certain businesses selling on eBay.com, Deutsche Post is used for the verification of German members on eBay.de.
